Title (60pt, Bold)

(Paper ID) (24pt)

Name of the Authors (32pt, Bold)
Presenting Person (32pt, Bold)
***Affiliations* (28pt, Bold)**

INTRODUCTION (54pt, Bold)

- (Max. 7-8 lines) (28pt)
- Necessary Figures and Tables with proper aspect ratio

Need for study (48pt, Bold)

- Explain why this study is performed and how it is different from the previous studies.
- Sub-headings (32pt)
- Max 7-8 lines (28pt)
- Necessary Figures and Tables with proper aspect ratio

Experimental/Numerical/ Analytical Analysis Performed (48pt, Bold)

- Max. 7 to 8 lines (28pt)
- Necessary Figures and Tables with proper aspect ratio

Results and Discussion (48pt, Bold)

- Max. 7 to 8 lines (28pt)
- Necessary Figures and Tables with proper aspect ratio

Conclusion (48pt, Bold)

- General inferences obtained from the study. (28pt)
- Briefly explain the practical application of this study and how it will impact the infrastructural development. (32pt) (7 to 8 lines)

References (48pt, Bold)

- Cite only the relevant references used in making the presentation
- Examples of References (24pt)
